Community Health Amendment Act of 2025

- Following emergency and temporary versions, Councilmember Henderson introduced the *Community Health Amendment Act of 2025* ([B26-0414](#)) on October 6th.
 - The legislation authorizes healthcare providers in the District to order and administer immunizations recommended by competent medical and public health organizations designated by the Director of the Department of Health. The legislation will also allow pharmacies to administer the COVID-19 vaccine without a doctor’s prescription.
- This legislation received a [hearing](#) on October 30th in the Committee on Health. DC Health testified in support of the bill expressing the importance of vaccine availability and access. A markup is scheduled for December 8th.

	PrEP DC Act of 2025 ▪ Councilmember Parker introduced the <i>PrEP DC Act of 2025</i> (B26-0159) on February 28, 2025. ○ The legislation creates safeguards for equitable and affordable access to HIV prevention treatment by prohibiting health insurers from using prescription information as a condition of eligibility or in premium rates, restricting or imposing setting delays in the distribution of antiretroviral prescription drugs, and from imposing a deductible, coinsurance, copayment, or other cost-sharing requirement for pre-exposure prophylaxis (PrEP) or post-exposure prophylaxis (PEP) to prevent HIV and AIDS infection. ▪ This legislation is in the Committee on Health and received a hearing on October 30th. DC Health testified during this hearing and expressed support for the intent of the legislation to promote affordable access to HIV prevention medication. A markup is scheduled for December 8th. Medical Debt Mitigation Amendment Act ▪ On October 20th, Councilmember Henderson introduced the <i>Medical Debt Mitigation Amendment Act of 2025</i> (B26-0438). ○ This legislation aims to prevent and mitigate the burden of unpaid medical debt bills on District families, while increasing transparency in medical billing and ensuring fair debt collection. The high-level summary of the bill would be to strengthen large health care facilities financial assistance policies, create protections to mitigate the burden of medical debt, update medical debt collection practices, and establish legal enforcement and oversight. ▪ The bill has been referred to the Committee on Health and a hearing is scheduled for December 15th.
