New Business

The Department of Motor Vehicles will become a voting member of the Task Force if the Mayor signs B23-0288 - Vision Zero Enhancement Omnibus Amendment Act of 2019 by November 3, 2020 and the law is not disapproved during the following Congressional review period.

Closed Session

Sgt. Terry Thorne motioned to enter a closed session of the meeting, and Eileen McCarthy seconded the motion. A roll call vote was taken:

Name	Agency	Vote
Sgt. Terry Thorne	MPD	Yes
Linda Bailey	DDOT	Yes
Kristin Calkins	OP	Yes
Eileen McCarthy	PAC	Yes
David Cranor	BAC	Yes
Helen Urquhart	MAAC	

The Task Force agreed to proceed to crash review, and to enter a closed session to do so. Pursuant to D.C. Official Code § 2-575(b)(1), which allows for closure of a meeting or portion of a meeting when a “law or court order requires that a particular matter or proceeding not be public,” the Task Force moved into a closed session because members specifically discussed the details of major crashes, which contained personally identifiable information and other sensitive material. The closed session involved review of review video and photographic records memorializing vehicular, pedestrian and other modal collisions and related fatalities, which may reveal images of such a personal and graphic nature that revelation in an open meeting would violate the personal privacy interests of the individuals involved.
