New Business

The Task Force discussed using Webex instead of Microsoft Teams to host future remote meetings.

Closed Session

Eileen McCarthy motioned to enter a closed session of the meeting, and Helen Urquhart seconded the motion. A roll call vote was taken:

| Name | Agency | Vote |
|-------------------|--------|------|
| Linda Bailey | DDOT | YES |
| Sgt. Terry Thorne | MPD | YES |
| Eileen McCarthy | PAC | YES |
| Helen Urquhart | MAAC | YES |
| Brigid Anderson | DMV | YES |

The Task Force agreed to proceed to crash review, and to enter a closed session to do so. Pursuant to D.C. Official Code § 2-575(b)(1), which allows for closure of a meeting or portion of a meeting when a “law or court order requires that a particular matter or proceeding not be public,” the Task Force moved into a closed session because members specifically discussed the details of major crashes, which contained personally identifiable information and other sensitive material. The closed session involved review of review video and photographic records memorializing vehicular, pedestrian and other modal collisions and related fatalities, which may reveal images of such a personal and graphic nature that revelation in an open meeting would violate the personal privacy interests of the individuals involved.
