**(b) Outreach Activity**

Outreach activities since the August 2024 meeting:

Date of Event	Name of Event	Type of Event	Topics Discussed	Audience	Number of Participants
10/25/24	Improving the Treatment of OUD for Youth	CE webinar	Opioids	DC prescribers and dispensers	83

1210-O-06	<ul style="list-style-type: none"> <li>• <i>Dr. Ortique went over the updated PDMP registration statistics and compliance. Optometrists are the most compliant at the moment. Overall, we're doing well with the registration compliance.</i></li> <li>• <i>Dr. Ortique spoke about the outreach event that has happened since the August 2024 meeting. This event, Improving the Treatment of OUD for Youth, had 83 participants</i></li> </ul>	Dr. Ortique
	<p><b><u>Grant Updates</u></b></p> <p><b>(a) Districtwide Gateway Integration</b></p> <p>A total of 138 health entities have connected to the DC PDMP through Gateway Integration in total since integration began in 2019.</p>	

	<p><b>(b) Dashboard DC Gateway Advertisement</b> Running 11/12/24 - 12/12/24</p> <p><b>(c) 2024 PDMP Harold Rodgers PDMP National Conference, PDMPs: Collaborating to Address the Prescription Drug Crisis</b> Occurred August 13-15, 2024, in Herndon, VA DC PDMP staff had the opportunity to network with other PDMP Administrators and learn about other jurisdictions grant related projects</p> <ul style="list-style-type: none"> <li>• <i>Dr. Ortique went over the grant updates that has occurred since the last meeting.</i></li> </ul>	
1210-O-07	<p><b><u>Presentation</u></b> DC Prescription Drug Monitoring Program Updates(attached) Presented by: Dr. Monai Lowe, PharmD, RPh, PDMP Pharmacist</p> <ul style="list-style-type: none"> <li>• Dr. Lowe presented on PDMP updates. She went over the following items:             <ul style="list-style-type: none"> <li>○ Dashboard cleanup</li> <li>○ Dispenser Profile Cleanup</li> <li>○ Fine Schedule suggested</li> <li>○ Consolidation tab cleared</li> <li>○ No specialty" Provider Notice</li> <li>○ Active prescriber identification activated</li> <li>○ Gateway Integration</li> <li>○ Continuing Education training</li> </ul> </li> <li>• <i>Dr. Lowe went over the dashboard with the committee and illustrated to them the components of the dashboard. She mentioned how vital it is that providers select a specialty so they can have an accurate result when comparing themselves among their peers. She suggested sending a notice to providers who haven't listed a specialty yet. She touched on Gateway Integrations, which streamlines communication and data transfer. Gateway Integration also enhances clinical workflows by eliminating extra login steps. As far as continuing education, DC PDMP is partnering with Howard University and DACS (District Addiction Consultation Services) in January and March 2025 to offer a CE training for Pharmacists and Providers to assist them with PDMP registration and illustrate the benefits of using DC PDMP. Also require CE training for initial licensing and licensing renewals for providers and dispensers.</i></li> </ul> <p>TFFS MTM Program Presentation Presented by: Tayiana Reed PharmD, MS, AAHVP, ACE, RPh</p> <ul style="list-style-type: none"> <li>• <i>Dr. Reed gave a brief overview on the FFS ( Fee for service) MTM ( Medication Therapy Management) Program. The goal of the FFS MTM program is to optimize therapeutic outcomes with these three components: Pharmacist, Patient, and Medication. The MTM program has been going on for about 5 years. To be eligible for the MTM program, an individual must be an outpatient ( 3 or more qualifying health conditions; nonadherent), must be prescribed 10 + medications per month, and must be eligible for DHCF Lock in. Medicare Part D beneficiaries and Home Health Program Beneficiaries are excluded from being eligible for MTM. The MTM Pharmacy Provider Eligibility is as follow:</i> <ul style="list-style-type: none"> <li>○ <i>Licensed Pharmacist (unrestricted, has malpractice insurance, and MTM education)</i></li> </ul> </li> </ul>	<p>Dr. Lowe</p> <p>Dr. Reed</p>

	<ul style="list-style-type: none"> <li>○ Active NPI</li> <li>○ Must be enrolled as a DC Medicaid provider</li> <li>○ Must utilize electronic MTM system that's in accordance with DHCF</li> <li>○ Must meet the requirements of the SPA ( state plan amendment) DC-24-008</li> </ul> <ul style="list-style-type: none"> <li>• Dr. Reed went over the implementation process and the program workflow. The MTM will most likely be provided via telehealth. The state plan amendment was approved on 8/2/24</li> </ul>	
<b>1210-O-08</b>  <b>Matters for Consideration</b>	<b><u>Action Items</u></b> <ul style="list-style-type: none"> <li>• PDMP Advisory Committee potential recommendation(s) <ul style="list-style-type: none"> <li>• Dr. Ortique stated that they'll vote on these recommendations during our next meeting since we were not in quorum at this moment.</li> </ul> </li> <li>• Potential Future meeting date: <ul style="list-style-type: none"> <li>• April 8, 2025</li> <li>• August 19, 2025</li> </ul> </li> </ul>	Dr. Ortique
<b>1210-O-09</b>	Other news/highlights from Committee members	
<b>Comments from the Public</b>		
<b>Motion to Adjourn the Open Session</b>	<p>Madam Chair, I move that the Committee close the meeting.  <i>Motion made by: Dr. Justin Ortique</i>  <i>Seconded by: Dr Tayiana Reed</i></p> <p><b>Roll Call Vote:</b>  <i>Dr. Justin Ortique in favor of the motion</i>  <i>Dr. Vito R. *This concludes the Public Open Session of the meeting*

**Meeting Adjourned at 11:40 am**

This meeting is governed by the Open Meetings Act. Please address any questions or complaints arising under this meeting to the Office of Open Government at [opengovoffice@dc.gov](mailto:opengovoffice@dc.gov).

# DC Prescription Drug Monitoring Program (PDMP) Updates

---

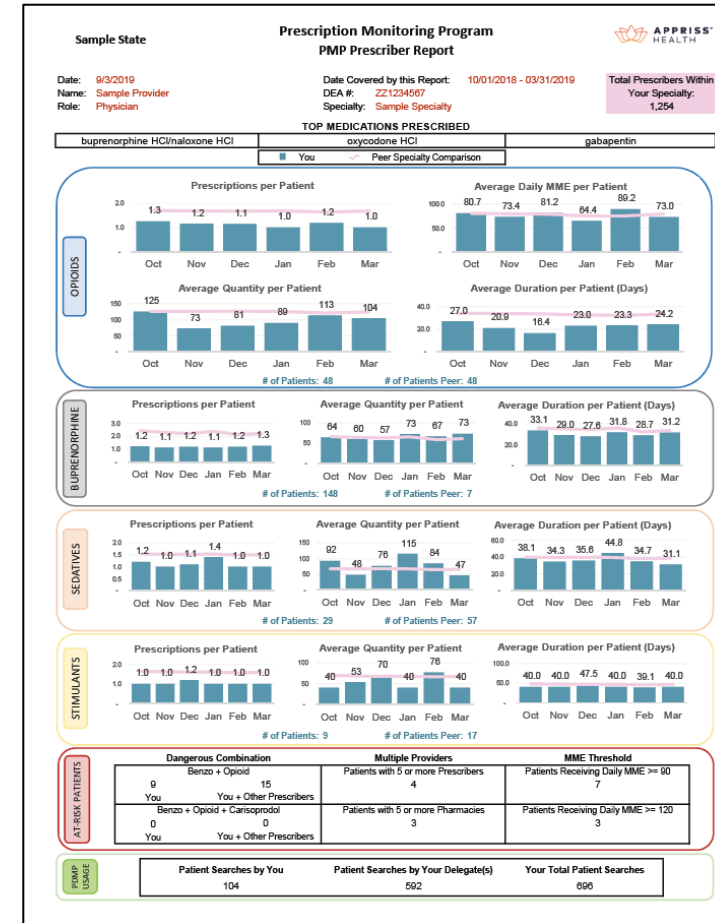

Monai Lowe, PharmD, RPh | April 8, 2025

# PDMP Updates

- “No Specialty” Provider Notice/Prescriber Reports
- Gateway Integration
- Interstate Data Sharing
- Continuing Education trainings
- Findings and Recommendations

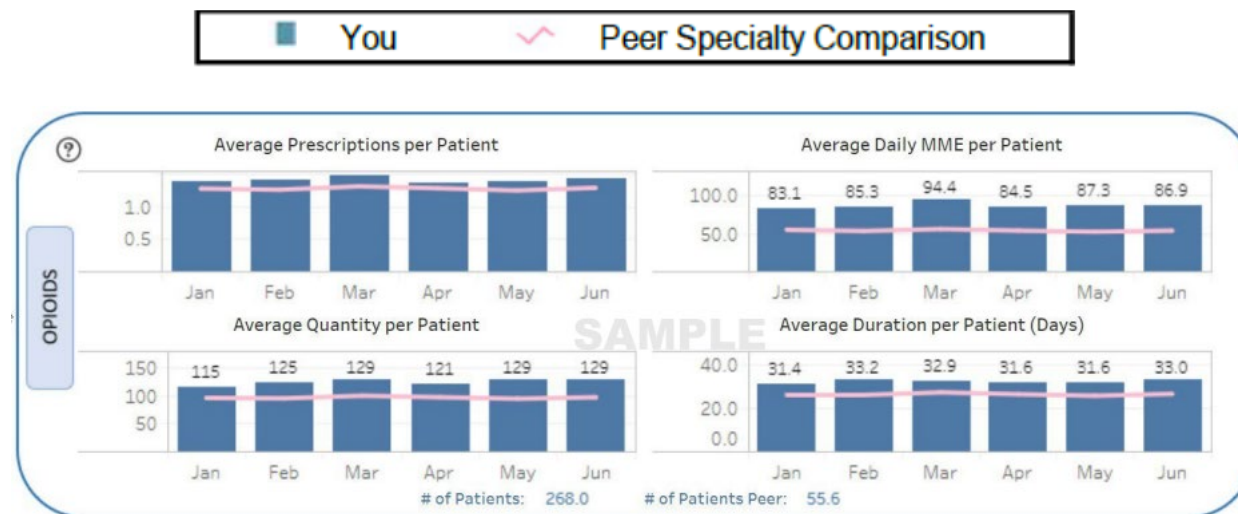

# Prescriber Reports

- Prescriber Reports provide a summary of practitioners' prescribing of covered substances\* over a 6-month period and present an opportunity for self-analysis as it relates to their prescribing of controlled substances
- Reports are sent quarterly
- Notice to >190 providers was sent on 1/31/2025 to register a "Provider Specialty" to enable receiving Prescriber Reports

# Benefits of Prescriber Reports

- Provide prescribing patterns for opioids, buprenorphine, sedatives, and stimulants, along with peer comparisons.
- Identify patients at potentially elevated risk due to overlapping therapies, multiple providers, and higher MME thresholds.
- Indicate patient search activity, including searches performed by authorized delegate(s) made on the prescribers' behalf.

**AT-RISK PATIENTS**

Dangerous Combination	Multiple Providers	MME Threshold
<b>Benzo + Opioid</b> 12 You    85 You + Other Prescribers	<b>Patients with 5 or more Prescribers</b> 25	<b>Patients Receiving Daily MME &gt;= 90</b> 83
<b>Benzo + Opioid + Carisoprodol</b> 0 You    0 You + Other Prescribers	<b>Patients with 5 or more Pharmacies</b> 40	<b>Patients Receiving Daily MME &gt;= 120</b> 66

**PDMP USAGE**

Patient Searches by You	Patient Searches by Your Delegate(s)	Your Total Patient Searches
564	0	564

# Gateway Integration

- Streamlines communication and data transfer
- Providers and dispensers can access PDMP through their EHR or Pharmacy System
- Enhances clinical workflows by eliminating extra login step
- Integration fees covered by DC Health

## View PDMP Data in Seconds, Not Minutes.

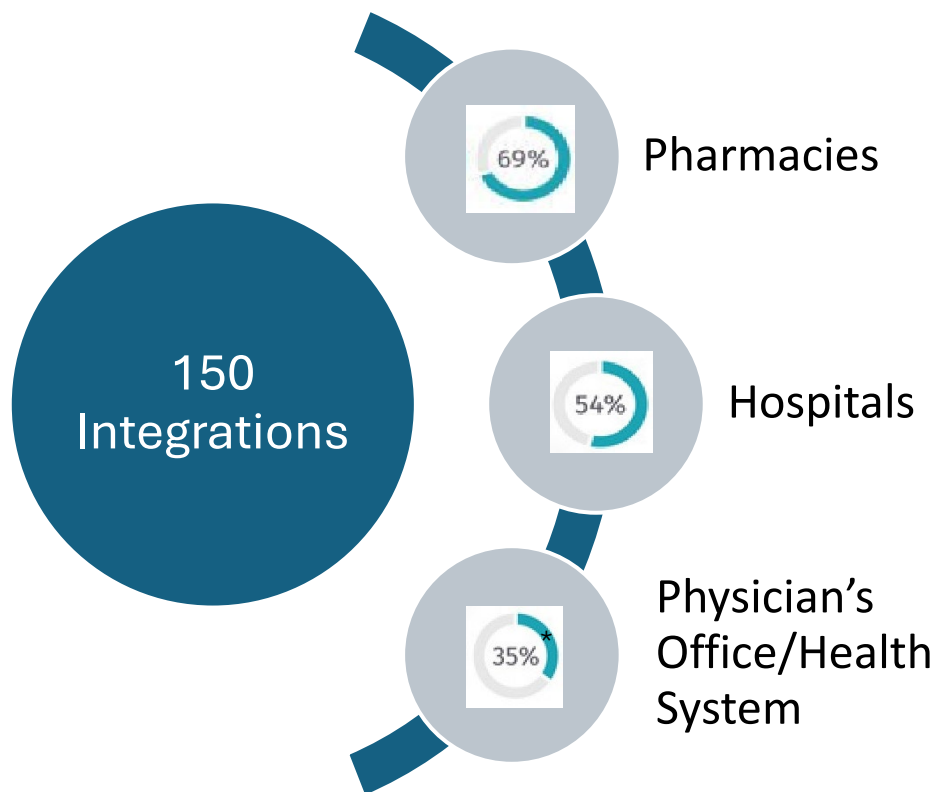

Enable one click access to Washington, D.C. PDMP data and NarxCare analytics inside your EHR or Pharmacy Management System by using Bamboo Health's PMP Gateway.

Get started today by creating an account.

[Create Account](#)

# Gateway Integration

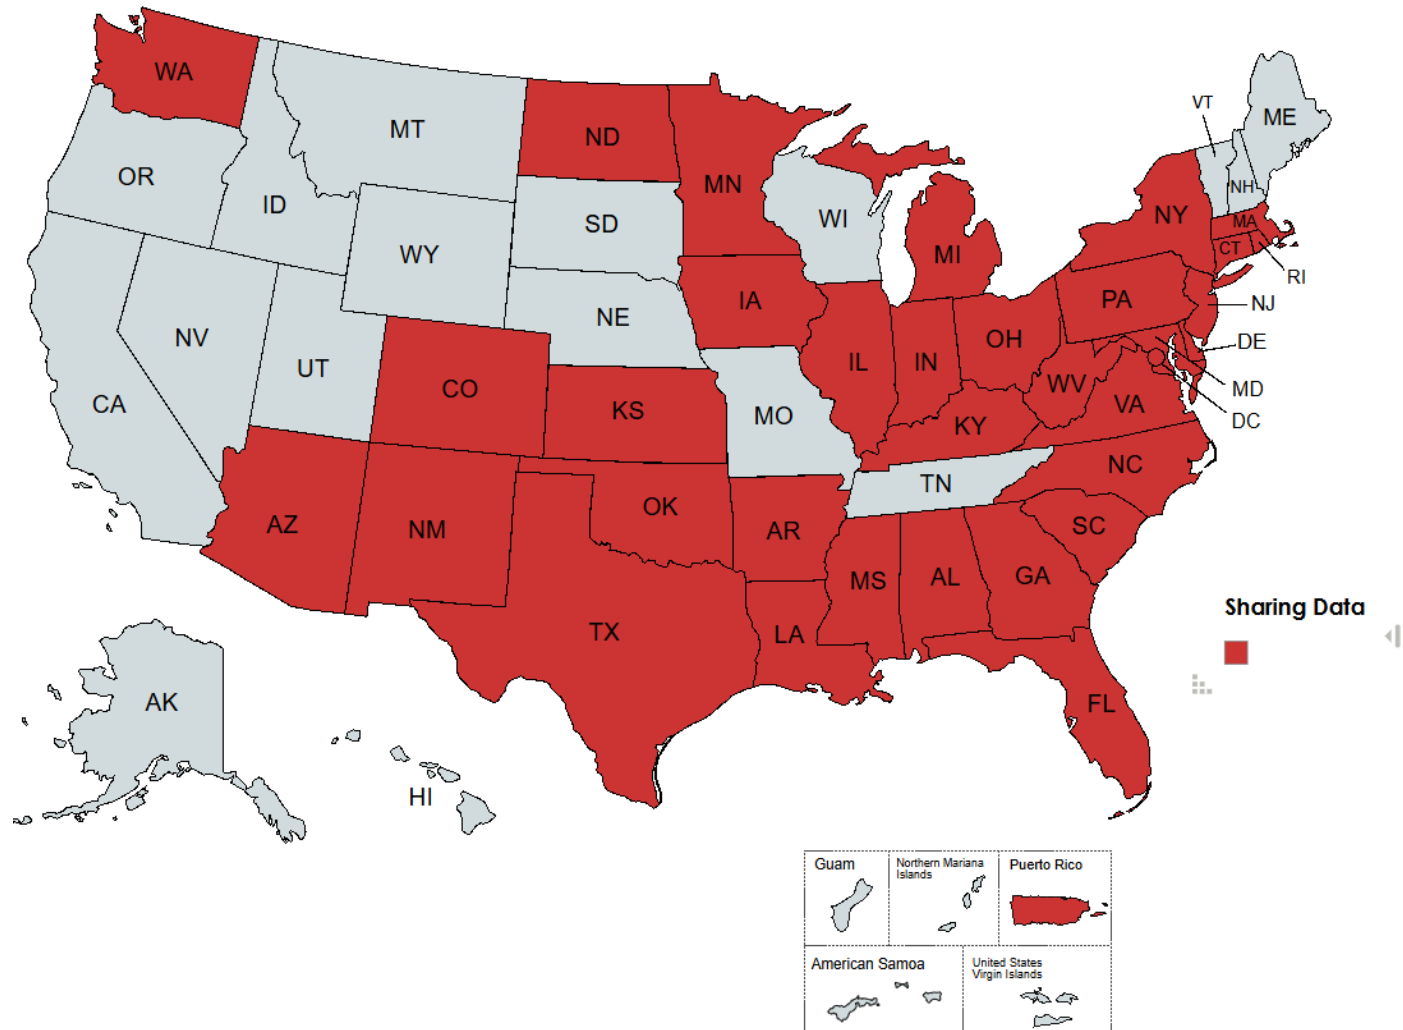

- Total Requests: 257
- In Production: 150 (↑12)
- Awaiting PMPi Approval: 8
- Credentials Sent: 50
- Pending Documents: 44
- On Hold: 5

# Interstate Data Sharing

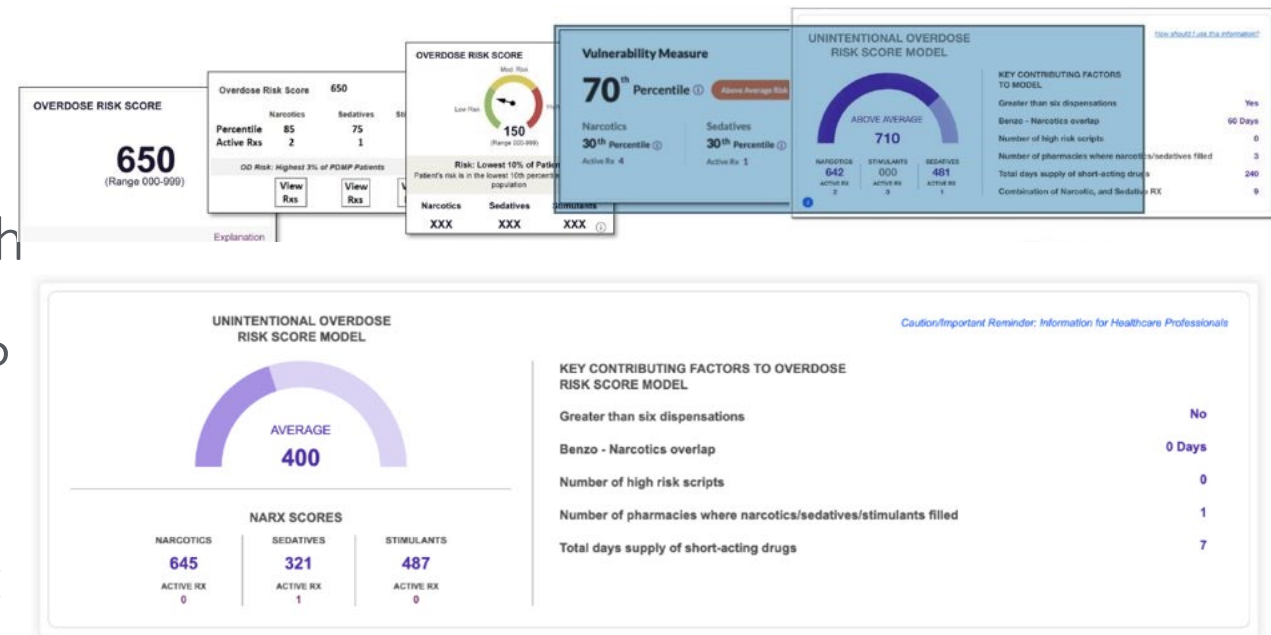

- The DC PDMP continues to work with the National Association of Boards of Pharmacy to provide information about dispensations from other states and territories
- The District of Columbia shares its PDMP data with 33 states, Puerto Rico and Military Health System
- PDMP administrators are able to enter into data-sharing agreements with other jurisdictions in order to allow users to see information about dispensations from other states and territories
- DC PDMP most recently connected with **Oklahoma**
- Program staff will continue to engage with partners from other jurisdictions to expand data sharing agreements in 2025

# Interstate Data Sharing

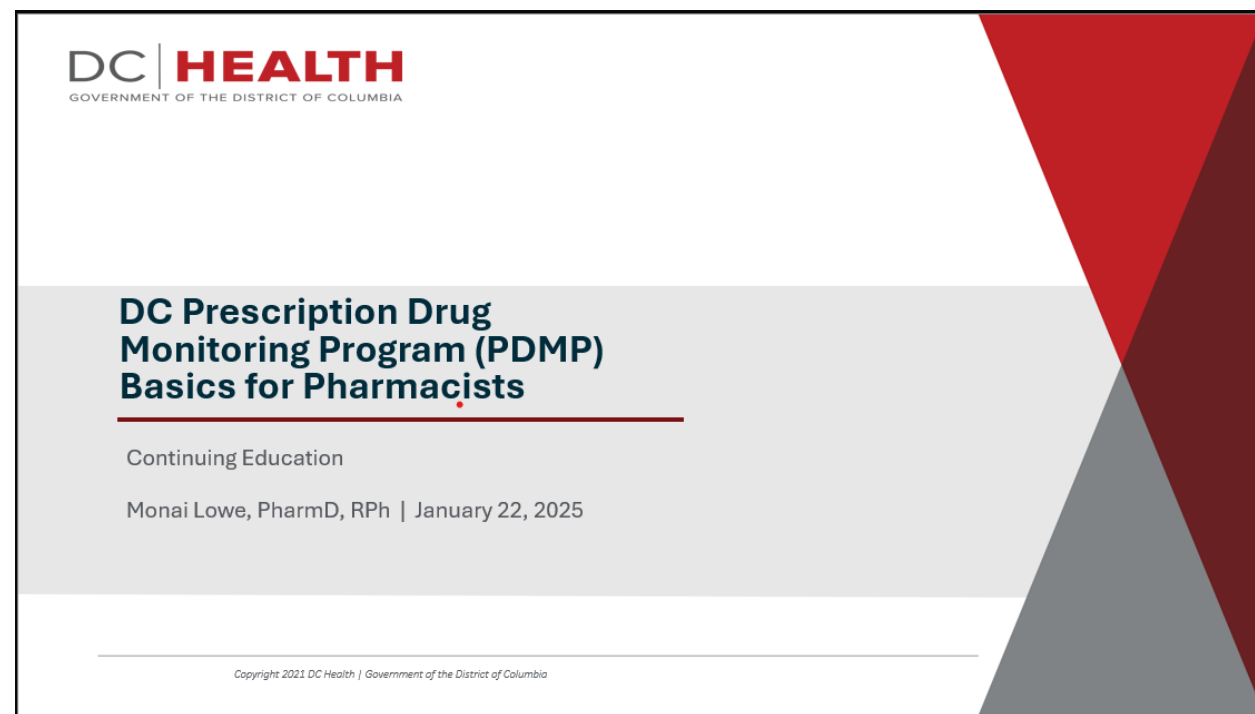

# Continuing Education

- DC PDMP has partnered with Howard University and DACS to offer a Continuing Education training for pharmacists and providers
- CE training will provide dispensers and prescribers with PDMP registration instructions and benefits of using DC PDMP
- After completing the training, participants will have a better understanding of PDMP report data, graphs and risk scores

# Continuing Education

- The first live webinar training was entitled “DC Prescription Drug Monitoring Program (PDMP) Basics for **Pharmacists**” and was held on January 22, 2025
- The target audience for the training was Pharmacists and Pharmacy technicians
- The next training will be held on April 23, 2025 and titled “DC Prescription Drug Monitoring Program (PDMP) Basics for **Providers**”
- Training focused on PDMP education for Law Enforcement is schedule for Summer 2025

# Findings

- Prescribers register as a requirement for initial licensing or renewal but may not access the database as required by law
- Many prescribers are not aware of the mandatory requirements to query the database and would benefit from formal PDMP training
- Prescribers can successfully prescribe without querying the database, leading to potential increased patient harm
- There is no method currently in place to monitor prescriber access history
