| 0820-O-01 | <u>**Welcome & Introductions**</u>

<u>**Chair Report**</u>

<u>**Charge of the Committee**</u>

The Committee shall convene at least two (2) times per year to advise the Director:

(a) On the implementation and evaluation of the Program;

(b) On the establishment of criteria for indicators of possible misuse or abuse of covered substances;

(c) On standardization of the methodology that should be used for analysis and interpretation of prescription monitoring data;

(d) In determining the most efficient and effective manner in which to disclose the findings to proactively inform prescribers regarding the indications of possible abuse or misuse of covered substances;

(e) On identifying drugs of concern that demonstrate a potential for abuse and that should be monitored; and

(f) Regarding the design and implementation of educational courses for:

    (1) Persons who are authorized to access the prescription monitoring information;

    (2) Persons who are authorized to access the prescription monitoring information, but who have violated the laws or breached professional standards involving the prescribing, dispensing, or use of any controlled substances or drugs monitored by the Program;

    (3) Prescribers on prescribing practices, pharmacology, and identifying, treating, and referring patients addicted to or abusing controlled substances or drugs monitored by the Program; and

    (4) The public about the use, diversion and abuse of, addiction to, and treatment for the addiction to controlled substances or drugs monitored by the Program.

.

Ms. Aisha Nixon called the meeting to order and provided a provided a brief overview of the Charge of the committee | Aisha Nixon |
| 0820-O-02 | <u>**Approval of January 2024 PDMP Advisory Committee Meeting Minutes**</u>
    (a) Minutes from the January 2024 Meeting | |

	Motion: *Committee member Dr. Ortique made the motion to approve the January 2024 meeting minutes.* **Seconded by**: *Committee member Dr. Chithenga* **Roll Call Vote:** • *Dr.Justin Ortique* • *Dr. Sithembile Chithenga* • *Dr. Vito R. DelVento* • *Sheri Doyle* • *Captain Shawn Rooney* • *Dr.Sharon Hunt* • *Kimberley Heine* • *Dr.Tayiana Reed* • *Dr.Careen-Joan Franklin* *Motion carried; minutes approved*	
0820-O-03	**Welcome of the new committee members** *Ms. Nixon welcomed the two new committee members which include herself and Ericka Walker who is serving as the Interim Executive Director Board of Nursing*	

0820-O-04	**Report from Attorney Advisor**	
	No Report	
0820-O-05	**Program Updates**	Dr. Ortique

(a) PDMP Registration Statistics and Compliance

Licensed Professional	Number of DC Licensed Active Professionals	Number of Registered PDMP Users	Percentage of DC Licensed Active Professionals Registered with the PDMP
Physician	15,839	13965	88%

(b) Outreach Activity

Outreach activities since the January 2024 meeting:

Date of Event	Name of Event	Type of Event	Topics Discussed	Audience	Number of Participants
2/27/24	**Treatment for Opioid Use Disorder in Carceral Settings**	CE webinar	Opioids	DC prescribers and dispensers	153
6/17/24	**The Pharmacist's Role in Managing Patients with Opioid Use Disorder**	CE Webinar	Opioids	DC prescribers and dispensers	90
8/15/24	**The New Language of Drugs**	CE Webinar	Illicit Opioids	DC prescribers and dispensers	116

0820-O-06	**Grant Updates**	Dr. Ortique
	(a) Districtwide Gateway Integration	
	A total of 125 health entities have connected to the DC PDMP through Gateway Integration in total since integration began in 2019.	

	(b) DC Gateway Integration Communication Campaign Spanned 4/29/24-7/1/24 Consisted of 6 emails that were sent to registered AWARxE users who have accessed the DC PDMP in the last year via the web portal only The campaign resulted in 17 new integration requests in DC since the campaign launch **(c) 2024 PDMP Administrators National Forum** Occurred May7-9, 2024 in San Antonio, Texas DC PDMP staff had the opportunity to network with other PDMP Administrators and present on our program and grant related projects *Dr. Justin Ortique provided some updates on the PDMP compliance as of 8/2/2024 and the outreach activities since the January 2024 meeting.*	
0820-O-07	**Presentation** DC Prescription Drug Monitoring Program Updates(attached) Bamboo Health Solutions Overview: Overdose Insights and Opioid Treatment Program Reporting Presented by: Jacob Cooper, Vice President of State Accounts, Bamboo Health *Two presentations were done by Dr. Justin Ortique and Jacob Cooper from Bamboo Health. Dr. Ortique highlighted the charge of the committee and then presented on a few potential projects that included an enhancement to the advanced analytics package, potential reporting of OTPs to the DC PDMP as well as fatal and non-fatal overdose notification to prescribers within the DC PDMP. Mr. Cooper provided specific details on how Bamboo Heath can support these projects. He further explained fatal and non-fatal overdose notifications and how Opioid Treatment Program Data could be integrated.*	Dr. Ortique Mr. Cooper
0820-O-08 **Matters for Consideration**	**Action Items** • PDMP Advisory Committee potential recommendation(s) • Potential Future meeting date *Dr. Ortique asked the committee if there were any potential recommendations. The committee did not have any but Ms. Nixon mention that the potential projects that were presented on were great ideas. Furthermore, Dr. Reed stated that she could provide support in areas related to DHCF. Next Dr. Ortique provided the potential next meeting dates and they were determined to be as follows:* • *Tuesday, 12/8/24-In person* • *Tuesday, 4/8/25-Virtual*	Dr. Ortique
0820-O-09	Other news/highlights from Committee members *Ms. Aisha Nixon provided the following updates:* • *DC Health fiscal year for 2025 begins in October.* • *Large number of boards will be going through the renewal period, so as far as compliance for the PMP, the number should go up by next meeting.* • *For licensure renewals, all the licenses issued in June will not expire in*	

	two years anymore. It'll expire the last day of the applicant's birth month. • *The Health Occupations Revisions Act has been updated and passed on 7/19/24. This will change how the boards are operating. The boards will go from 19 to 15.* • *Some new professions will be required to register for the PMP.*	
Comments from the Public	*NONE*	
Motion to Adjourn the Open Session	Madam Chair, I move that the Committee close the meeting. *Motion made by: Dr. Justin Ortique* *Seconded by: Dr Tayiana Reed* ***Roll Call Vote:*** • *Aisha Nixon* • *Dr. Justin Ortique* • *Dr. Sithembile Chithenga* • *Dr. Vito R. DelVento* • *Sheri Doyle* • *Captain Shawn Rooney* • *Dr. Sharon Hunt* • *Kimberley Heine* • *Dr. Tayiana Reed* • *Dr. Careen-Joan Franklin* *Motion carried* (Roll Call Vote)	

This concludes the Public Open Session of the meeting

Meeting Adjourned : <u>11:14 am</u>

DC Prescription Drug Monitoring Program (PDMP) Updates

Monai Lowe, PharmD, RPh | December 10, 2024

PDMP Updates

- Dashboard cleanup

- Dispenser Profile cleanup

- Fine Schedule suggested

- Consolidation tab cleared

- "No Specialty" Provider Notice

- Active prescriber identification activated

- Gateway Integration

- Continuing Education training

PDMP Dashboard

🚩 = Critically Overdue

Dispenser Profile Cleanup

Consolidations

Prescriber Reports

- Prescriber Reports provide a summary of practitioners' prescribing of covered substances* over a 6-month period and present an opportunity for self-analysis as it relates to their prescribing of controlled substances

- Reports are sent quarterly

- Notice to >190 providers will be sent on 1/15/2025 to register a "Provider Specialty" to enable receiving Prescriber Reports
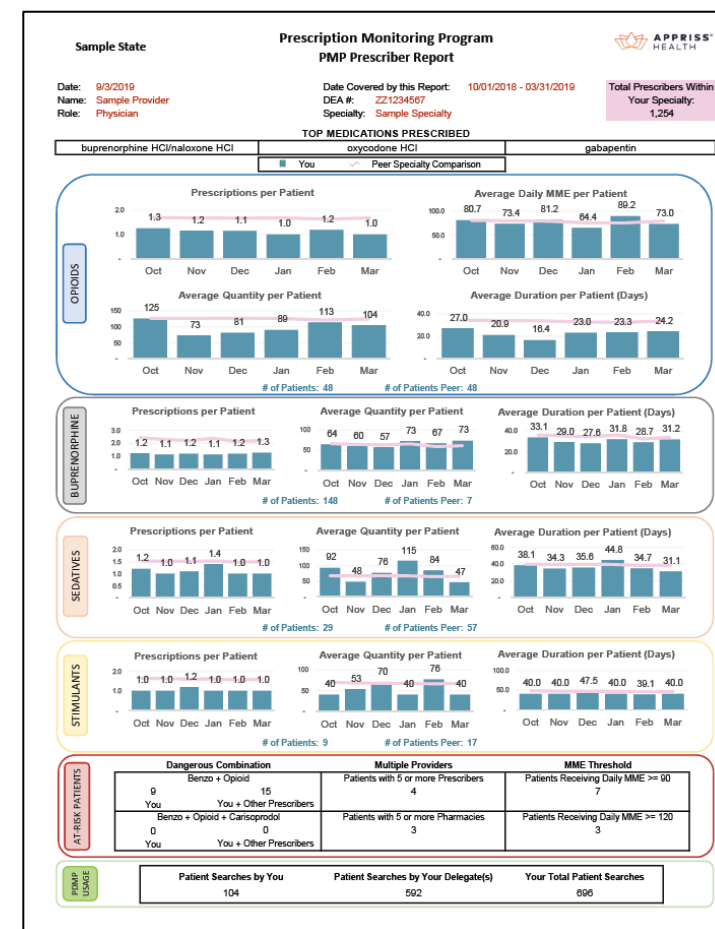

Benefits of Prescriber Reports

- Provide prescribing patterns for opioids, buprenorphine, sedatives, and stimulants, along with peer comparisons.

- Identify patients at potentially elevated risk due to overlapping therapies, multiple providers, and higher MME thresholds.

- Indicate patient search activity, including searches performed by authorized delegate(s) made on the prescribers' behalf.

Gateway Integration

- Streamlines communication and data transfer

- Providers and dispensers can access PDMP through their EHR or Pharmacy System

- Enhances clinical workflows by eliminating extra login step

- Integration fees covered by DC Health

View PDMP Data in Seconds, Not Minutes.

Enable one click access to Washington, D.C. PDMP data and NarxCare analytics inside your EHR or Pharmacy Management System by using Bamboo Health's PMP Gateway.

- Credentials Sent: 50
- Pending Documents: 37
- On Hold: 5

DC | HEALTH
GOVERNMENT OF THE DISTRICT OF COLUMBIA

Continuing Education

- DC PDMP is partnering with Howard University and DACS to offer a Continuing Education training for pharmacists and providers

- CE training will provide dispensers and prescribers with PDMP registration instructions and benefits of using DC PDMP

- After completing the training, participants will have a better understanding of PDMP report data, graphs and risk scores
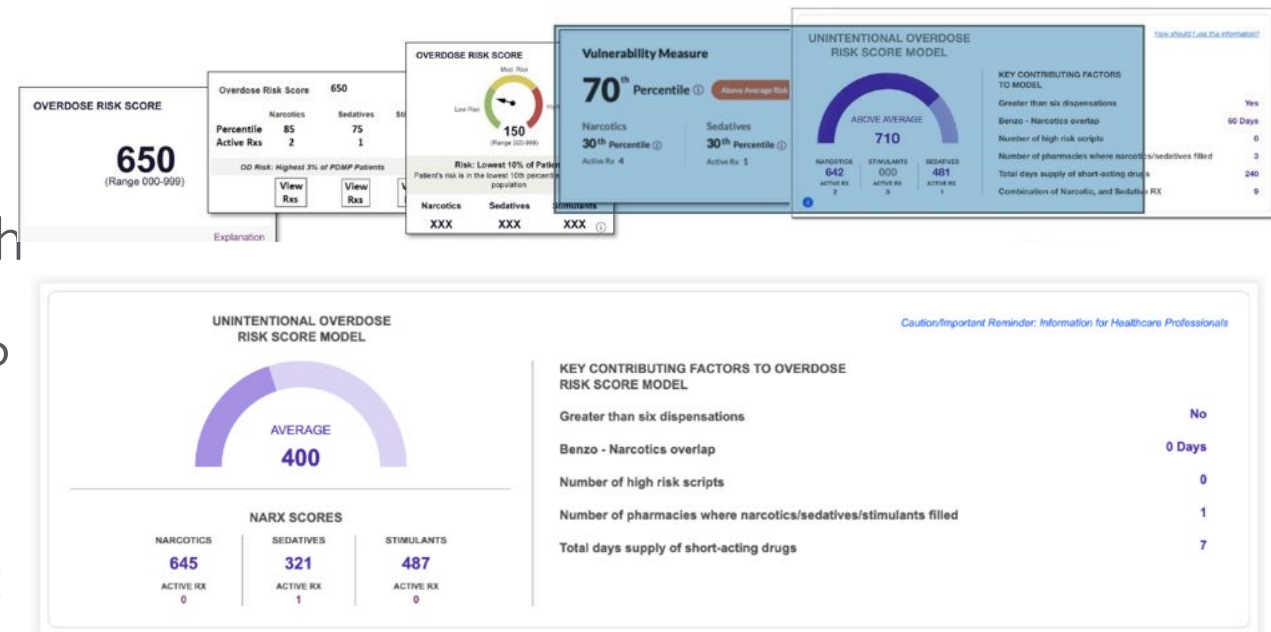

Findings

- Prescribers register as a requirement for initial licensing or renewal but may not access the database as required by law

- Many prescribers are not aware of the mandatory requirements to query the database and would benefit from formal PDMP training

- Prescribers can successfully prescribe without querying the database, leading to potential increased patient harm

- There is no method currently in place to monitor prescriber access history

Potential Recommendations Based on Findings

- Create a Continuing Education (CE) training program for providers and dispensers registering for PDMP

- Require CE training for initial licensing and licensing renewals for providers and dispensers

  - Incorporate CE training into the required curriculum for relevant health licensing boards

  - Training would fall under the *Public Health Priority* category of "Responsible Opioid Prescribing and Effective Pain Management"

DHCF FFS MTM Program

Dr. Tayiana J. Reed
Pharmacist, DHCF
Office of the Chief Medical Officer

What is Medication Therapy Management (MTM)?

Medication therapy management (MTM) services focus on identifying, preventing, and solving drug-related problems to optimize therapeutic outcomes for individual patients.

MTM may be independent of OBRA-90 counseling statue and involves a thorough review of the patient's medications, including medication use history, medical history, and adherence to therapy to identify and resolve drug therapy problems with the patient and/or in collaboration with other health care providers.

MTM Core Elements

Medication therapy review (MTR) → Personal Medication Record (PMR) → Medication Related Action Plan (MAP) → Intervention/ Referral → Documentation/ Follow-up

For Official Government Use Only
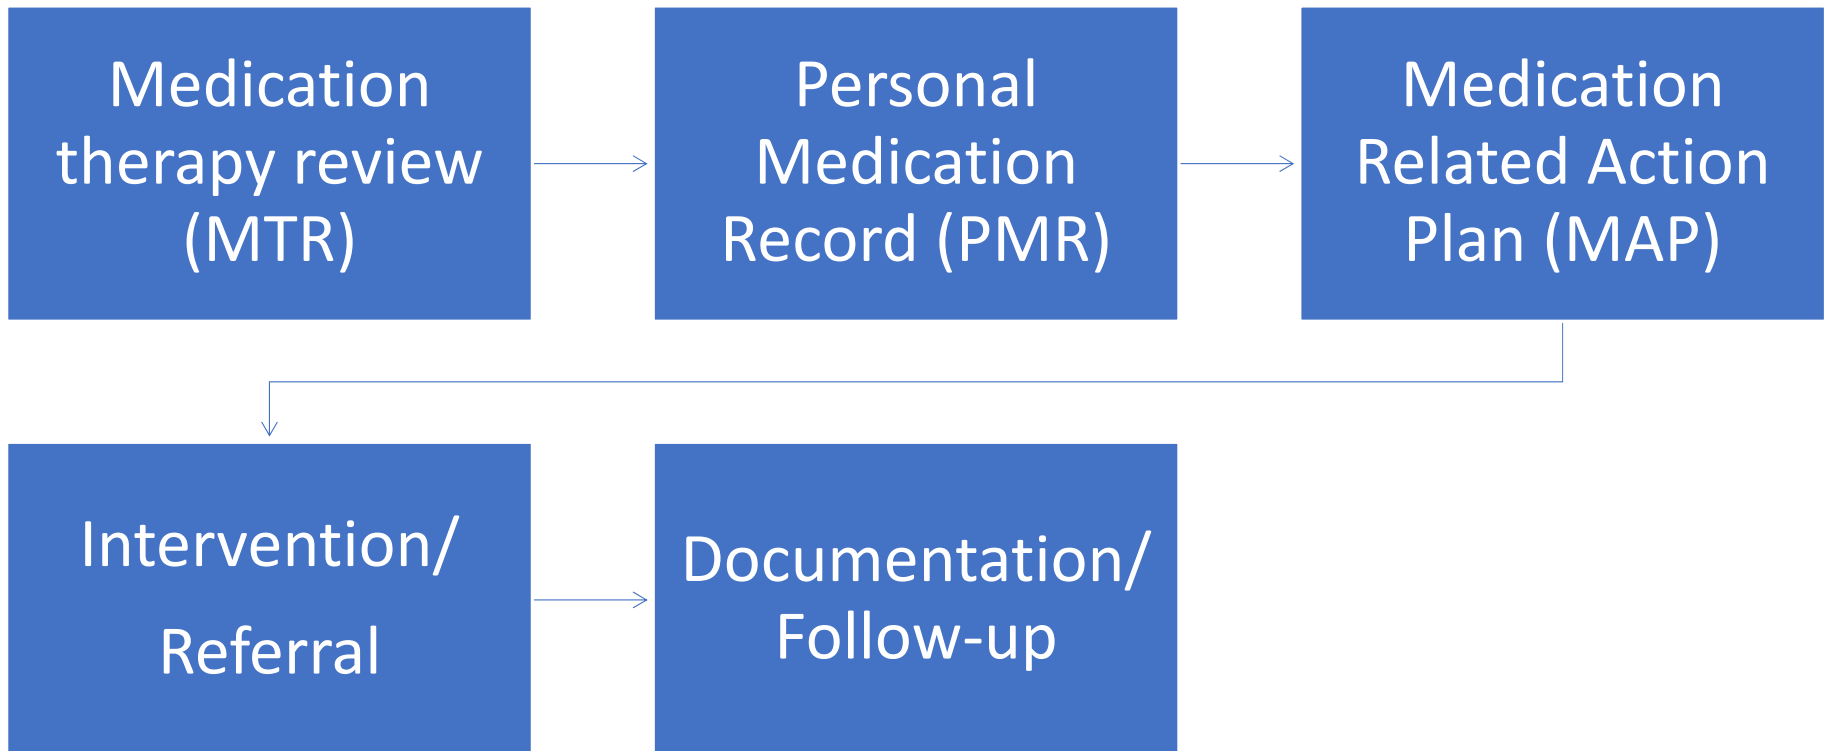

Goal of the FFS MTM Program

MTM Service Initiatives

Treatment Plan	• Development plan • Document care delivered by pharmacist to primary providers
Comprehensive Reviews	• Medication • Immunization • Prevent medication errors
Monitoring & Evaluation	• Medication response • Safety & Efficacy
Coordination	• Integrating MTM services with other health care services provided to the beneficiary

Education	• Support services
	  • Medication adherence to regimens
	  • Appropriate use of medications

MTM Beneficiary Eligibility

Must be an outpatient

3 or more qualifying health conditions

Non-adherent

Must be prescribed 10 + meds per month

Must be eligible for DHCF Lock in

MTM Categories Served

FFS Lock-in Beneficiaries

Individual beneficiaries

My Health GPS enrollees

For Official Government Use Only

MTM Eligibility Exclusion

Medicare Part D Beneficiaries

Includes dual eligible

Health Home Program Beneficiaries

Chronic care program contractors currently providing MTM services

MTM FFS Program Reimbursement

Pharmacy receives payment → Pharmacist submits MTM → MTM approved by DHCF → MTM claim reimbursed by procedure code → (cycle repeats)

For Official Government Use Only

MTM FFS Program Fee Schedule

Service Description	Procedure Code	Rate Effective 7/1/2024
Medication Therapy Management – First encounter; 15 minute unit	99605	$50.00
Medication Therapy Management – follow-up encounter; 15 minute unit	99606	$25.00
Medication Therapy Management – additional 15 minutes	99607	$10.00

MTM State Plan Amendment DC-24-0008

- Approved on 8/2/2024

- Transmittal 24-xxx Pending
  - Provides additional information regarding the requirements and directions for billing.
  - Fee Schedule for reimbursement is complete
  - Provider billing training developed for pharmacist providers

FFS MTM Program's Current Implementation Status

- Procurement of MTM software for eligible pharmacy/pharmacist
  - Pending ETA late spring 2025
  - DHCF will approve eligible pharmacy/pharmacist providers meeting the criteria

- MTM reimbursement for services
  - Currently testing payor sheets for reimbursement at the pharmacy level for one-time MTM at the pharmacy level
  - Pharmacist provider type must be created
    - Pharmacist with collaborative practice vs Pharmacist as a consultant
    - Medical provider number
    - Pharmacist must have the medical system in place to bill as a medical provider
