FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 11-07G (American University – Amendment to the 2011-2022 Campus Plan and Further Processing of the Campus Plan @ Square 1600, Lot 1)

THIS CASE IS OF INTEREST TO ANC 3D AND 3E

On August 25, 2017, the Office of Zoning received an application from American University (the “Applicant” or “AU”). The Applicant is requesting special exception approval for an amendment to the approved 2011-2022 American University Campus Plan and a further processing application to permit the construction of a new Hall of Science Building. The 2011-2022 American University Campus Plan approved an addition to the existing chemistry building (the “Beeghly Building”) to allow consolidation of all science instruction and research in one facility.

The property that is the subject of this application is located on the portion of American University’s Main Campus that is bounded by Massachusetts Avenue on the north, Nebraska Avenue on the east, Rockwood Parkway to the south, and University Avenue to the west. Specifically, the proposed new Hall of Science Building will be located immediately to the west of the existing Beeghly Building, which is near the interior of the campus, on a site that is currently used as a surface parking lot, a sloped green space, and AU’s Costume Shop. This portion of the AU’s Main Campus is located in the RA-1 zone.

The proposed amendment to the 2011-2022 Campus Plan will add a new consolidated science building, the Hall of Science Building.

The proposed further processing application will allow for the construction of the new Hall of Science Building that will be associated with instruction and research related to the Chemistry, Biology, Environmental Science, and Psychology Departments in American University’s School of Arts and Sciences. The Hall of Science Building will have a measured building height of approximately 54 feet, six inches, include approximately 92,270 square feet of gross floor area, and be located approximately 500 feet from AU’s property line adjacent to University Avenue, N.W.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Commission’s Rules of Practice and Procedure, 11 DCMR Subtitle Z, Chapter 4.
